

Ohio University  
Class Climate Survey System

## Survey Evaluation Results

In the attachment you will find the evaluation results of the survey Medieval & Golden Age Span Lit SPAN4555100\_2205\_Regular

The overall indicator is listed first. It consists of the following scales:

- Instructor Evaluation
- Course Evaluation

The overall indicator is followed by the individual average values of the scales mentioned above. In the second part of the analysis the average values of all individual questions are listed.

If you have any further questions do not hesitate to contact the evaluation department.

## Comments Report

---

### 5. Open Ended

<sup>5.1)</sup> The instructor (please comment on questions 4.1-4.7 above)

- Dr. Figueroa has been very understanding and helpful in regards to the drastic change to remote coursework this semester. She has gone out of her way to ensure that we can learn and continue to better our Spanish knowledge, even though we could no longer meet in person. I greatly appreciate her dedication to helping students succeed.
- Melissa is a wonderful, knowledgeable, and warm professor that gets the students excited about this literature
- My favorite professor. She was so kind and enthusiastic.

5.2) The course and the materials (please comment on questions 4.8-4.10 above)

- The course and materials was very fitting for this course and I believe that it helped us understand the literature as well as make connections to the history and the language. The only thing that I did not enjoy was the project with the other universities because there was not as much contact with my group as the professors wanted, which made me feel that this was more a waste of my own time as I was putting in a lot of work and my group was not.
- the content was very difficult but presented in a clear manner

5.3) Self-Evaluation (please comment on questions 4.11-4.16 above)

■ I tried my best
